Do NOT give any money to anyone besides the nominated TOC Treasurer (Takamasa Umehara) who will be at event registration in Japan **who will issue a RECEIPT**. Any team who has fees to pay or refunds will be sent an email one week prior to the event with a full financial tally. We kindly ask you to bring the exact amount payable in cash.

Note about Roles.

While we understand & appreciate that you might have multiple Captains and Spirt Captains, WFDF needs to have one (1) dedicated representative per team for Captain and 1 Spirit Captain. You may choose to indicate different people each game when checking the roster of players taking the field. Guests (Medical and Coaches) have different paperwork requirements to other non-playing team support (Admin and Guest). If you are not sure of the role, please use guest.

STEP 3 – RULES ACCREDITATION

The Rules Accreditation process allows players to demonstrate that they have read and understand the Rules of Ultimate. The WFDF Rules of 5-on-5 Beach Ultimate, 2019 are in place for AOBUC. Please ensure you refer to the Rules and Appendix as issued by email to all teams earlier this year.

https://www.jfda.or.jp/aobuc2019/participants_info/

Non-players DO NOT have to do this. The WFDF Accreditation quizzes are available here:-

- <http://rules.wfdf.org/accreditation>

The format of both levels of Accreditation (Standard & Advanced) is an open book quiz that is based on the WFDF Rules of Ultimate. The quiz is designed to allow players to demonstrate that they have read the Rules of Ultimate. A minimum score of 8/10 must be achieved to become Rules Accredited. Non-Players DO NOT have to do this.

IMPORTANT: ALL accreditation gained prior to 1st January, 2019 has become invalid. Players that passed the accreditation tests before 2019 will have to pass the test again. Don't forget to collect the WFDF Rules Certificates from all your players and bring with you to registration.

Players are strongly encouraged to refer to the WFDF Rules of Ultimate 2017 and Rules Appendix and all supporting documentation, when attempting the quiz. The WFDF Rules of 5-on-5 Beach Ultimate, 2019 are in place for AOBUC.

Requirements: Your team must comply to the requirements below, PRIOR to your first game in Japan at AOBUC.

1. ALL players on a team's roster must have a current WFDF Accreditation.
2. At least HALF (50%) of the players on a team's roster must have the Advanced Accreditation.
3. The CAPTAIN and SPIRIT CAPTAIN MUST have the Advanced Rules Accreditation.

Anyone who successfully completes the quiz will be issued with a certificate. For any questions regarding WFDF Rules Accreditation, please contact WFDF wfdf.sotg+aobuc@gmail.com.

Important note regarding Rules Accredited players

- They have the same responsibilities on the field as every other player
- They do not release a Captain from their responsibility to ensure their team upholds the Spirit of the Game
- They do not replace the requirement for each player to learn and apply the rules and play with good Spirit

STEP 4 – SPIRIT OF THE GAME

Apurva Kothari (IND) will be the Official Spirit Director for AOBUC, along with a team of dedicated Spirit Assistants. They will be responsible for collecting and reviewing Spirit Scores, discussing any accreditation non-compliance with the relevant teams and assisting the teams to meet their requirements, and working with all teams to ensure the highest standard of Spirit during AOBUC.

To ensure clear and direct communication about Spirit Of The Game matters at AOBUC, each team must identify one (1) Spirit Captain who will fill this role for the duration of the tournament. Before the tournament, Spirit Captains must email the Spirit Director directly and introduce themselves.

Each team MUST email wfdf.sotg+aobuc@gmail.com: no later Friday 31st May, 2019 with the Spirit Captain's name, jersey number, email and cell phone number

The Spirit Captain role can be filled by any player on your team, with the exception of your captain. For more information on SOTG, please make yourself familiar with the following documents:-

- http://wfdf.org/downloads/cat_view/42-sotg-documents

Before the tournament, the Spirit Director will send more information about the Spirit Captains meeting and other useful information such as the document "Role of the Spirit Captain".

Enforcement

During AOBUC the Spirit Director and Assistants will be doing spot checks to ensure teams have met the rules accreditation criteria. Anyone not complying will be required to leave the field until all requirements are met.

If you have any questions relating to SOTG, please don't hesitate to contact Apu wfdf.sotg+aobuc@gmail.com.

ABOUT SPIRIT OF THE GAME

Ultimate relies upon a Spirit of the Game that places the responsibility for fair play on every player.

Spirit of the Game (SOTG) is the mindful behavior practiced by players prior to, during and after a game of ultimate. It encompasses attitudes and skills such as good knowledge and application of the rules, fair-mindedness, safe play and spatial awareness, clear and calm communication, and a positive and respectful attitude towards teammates, fans, and opponents, in a mutual effort to protect the basic joy of play.

We strongly believe that Spirit of the Game helps people to develop skills in polite, calm and respectful communication even in difficult situations, and to make friends all over the world despite ethnic, national or religious differences. Spirit of the Game promotes understanding and peace in our sport, and we hope that through each player, that influence can spread beyond the field and make real changes in the outside world.

At AOBUC, every team in every division has chosen a Spirit Captain. It is this player's responsibility to work with their team and all opposition teams to ensure that the highest standard of the Spirit of the Game is maintained throughout the competition (both on and off the field).

A Spirit scoring system has been developed to evaluate the other team immediately after each game. With all players involved and led by the Spirit Captain, each team fills in a Spirit scoresheet. Using guidelines and examples found in the Spirit scoring examples document, each team can provide a more consistent score for the other teams. The Spirit scoring system therefore serves as an educational tool where teams can learn how to improve based on standardized feedback.

To celebrate Spirit of the Game, an award is presented to the team in each division with the highest total Spirit score. Winning this award is held in the highest regard and all teams strive to achieve this.

Good luck to all athletes. Your physical and mental abilities represent the pinnacle of our sport in your age group. You have the opportunity to demonstrate the highest values of sports competition through the Spirit of the Game. Fans and spectators, you can look forward to some incredible action and even more incredible displays of Spirit throughout the Championships.

The Official Game Disc is a championship level approved Discraft UltraStar 175g discs. The disc will be pink in colour. All discs must be returned to each field Scorekeeper at the end of each game.

Field markings

Fields will be marked with blue tape. The 3m safety line will be white. Please ensure the safety area is kept free at all times. The 5m areas around the fields will be using barriers/flags instead of lines on the sand and some might be placed a little further than the 5m. There will be several fields with no 5m areas between the fields. All players and spectators must stay behind the areas as marked by the TOC. Captains should attend their respected meetings prior to the event start. Meeting details will be communicated by the TOC in advance of the event.

Training & Warm Up

You are welcome to use the beach in the days prior to AOBUC. Please respect the TOC workload and listen to instructions from Staff at the beach as they build the fields and venue. Everyone should be aware that the beach is open to the public at all times during the event and both pre and post event. Please respect all people using the beach and keep things safe. You must bring your own water and remove all rubbish each day and your training sessions prior to the Opening Ceremony are not considered part of the AOBUC event. All teams and players who undertake training do so at their own risk.

Warm up for teams during the event will be limited to the unused areas of sand on the beach. Access to your field prior to the game start will be 15 mins prior – if there is still a game in progress, scorekeepers might allocate you to another field.

Event Party

Access to the AOBUC party is restricted to accredited people over 18+ only. Please note that due to city restrictions, the party will close at 21:00.

Lightning Plan

Should bad weather and lightening cause need for evacuation, please follow the instructions given at the Captains meeting and make your team aware of the lightning section in the rules B4.2.1. You should seek shelter in the Musashi Hotel.

Medical and First Aid facilities on site

AOBUC will have Athletic trainers on site daily during the event. They will provide manual therapy and taping as well as general first aid treatment. Sports medicine doctor and emergency doctor onsite during playing hours is free of charge. Both injury and illness assessment and management onsite are free of charge unless severity requires movement to hospital.

Health and Medical care in Japan

The Health Care system in Japan is based on individual's carrying personal insurance. WFDF, BULA & the TOC does not provide health or travel insurance for participants. There are always risks associated with playing Ultimate. Although AOBUC will have medical staff on site to deal with first aid and to assess critical injuries, there may be injuries/illness in which players need medical attention that requires emergency visits to local hospitals. AOBUC has requested that all players and event participants acknowledge these risks and understand that WFDF, BULA and the TOC cannot be held liable for any risk or cost associated with injury or bad health at AOBUC. All event participants should alleviate some personal financial liability by purchasing your own traveller's insurance to make sure you are covered for any medical issues that arise.

Tournament Rules Group (TRG)

The Tournament Rules Group (TRG) will arbitrate on-field and off-field disputes between players, staff and members of the public. At AOBUC 2019, the TRG is chaired by the WFDF Tournament Technical Delegate (Chair) or his delegated representative.

WFDF Tournament Technical Director	Patrick Fourcampré-Maye (GBR)
WFDF Beach Ultimate Committee Chair	Karen Cabrera (PHI)
WFDF Spirit Director	Apurva Kothari (IND)
BULA Representative	Patrick van der Valk (NED)
AOBUC Event Director	Yuta Saito (JPN)

The TRG will meet daily to discuss any issues arising at the event, review SOTG Scores and SOTG Score Alerts, review any incidents from the day's games, discuss plans to communicate with teams on Spirit issues. The greatly increased workload of the TRG makes it impossible to include active players as part of the group.

The TRG will address formal requests, complaints or protests about any issue concerning on-field or off-field activities. Requests, complaints or protests may be brought to the attention of TRG by any Team Captain or Staff Member. Requests, complaints or protests may be brought at any time during the period starting from the end of the captains Meeting to midnight on the final day of play at the tournament.

The TRG may, at its discretion, disqualify a player or an entire team from any event or from the entire tournament whenever that player or team exhibits violent, obscene, abusive, disruptive or illegal behaviour; cheats or otherwise attempts to create an unfair advantage for themselves or disadvantages others through circumvention of the rules; or otherwise causes substantial hardship, inconvenience or annoyance to spectators, officials or players.

If an issue is brought to the TRG that effects the general interest of all or a group of teams participating in the tournament, the TRG may call an advisory Captains' Meeting of all or selected teams. The calling of such a meeting does not in any way reduce the powers of the TRG and the TRG is in no way bound to suggestions or decisions made by such a Captains' Meeting.

For the purposes of this agreement:

- "WFDF" means the World Flying Disc Federation, and includes all of its committees, member national affiliated associations and clubs; and their directors, officers, employees and volunteers;

- "Event" includes the specific WFDF event for which the participant is registered and any future WFDF events that the person may participate in, notwithstanding future agreements entered into;
- "Activity" means any activity associated with participation in the Event, including all competitions, preparations, social events, meetings, ceremonies and the provision of services such as accommodation, food and transport;
- "I", "Me", "My" refers to the person undersigned and all minors for whom they are a legal guardian.

Purpose

This agreement aims to make clear some, but not all, of the aspects of the Event that should be considered common knowledge for all registered participants. If I am unclear about the meaning of a particular phrase, I will seek clarification from a representative of WFDF.

By reading and understanding and signing this agreement, I agree to the provisions set forth within this document and that I am equipped with basic knowledge to help ensure my own safety and the safety of those for whom I am legally responsible.

I hereby agree to the following conditions in consideration of WFDF & the TOC allowing me to participate in the Event:

1. I understand the basic rules and physical requirements of the Sport.
2. I agree to read, understand and comply with the WFDF by-laws, policies, codes of conduct and the rules of the Sport. I can obtain copies of the by-laws, policies, rules and the code of conduct from the WFDF website (www.wfdf.org).
3. I agree that, by participating in the Event, I am risking serious injury including chronic pain, permanent incapacitation, paralysis and death, particularly through contact with the ground, other players and objects on or outside the playing field. I acknowledge that there have historically been deaths associated with participating in similar Events due to lightning strike, heart attack and road accident.
4. I understand that the Sport is self-refereed, so that the athletes must take on all responsibilities that might be associated with a referee. In particular, I take responsibility to ensure that the Sport is played within the rules, that athlete safety is maintained, and that problems are addressed as they occur.
5. Although the Sport may be termed a non-contact sport, I agree that contact may occur. It may occur because players fail to perceive a potentially dangerous situation or evaluate risk poorly or lack sufficient co-ordination or intentionally cause contact. I will take reasonable steps to avoid collisions that would be expected to harm me or other players.
6. I understand that I must be medically and physically fit and able to participate in the Event. I agree that, prior to participating in the Event, I have consulted a medical practitioner if I have a pre-existing medical condition that could be exacerbated by my participation, or if I am pregnant.
7. If I believe it is unsafe to continue to participate, I will remove myself from an Activity or the Event.
8. Playing fields & Beaches may contain defects such as holes, ruts, mud, rocks, broken glass and other foreign materials. I acknowledge that WFDF may not have the resources to fully inspect playing fields before each Activity and so I will ensure that fields are safe prior to playing on them, take mitigating action if necessary or choose not to play if the risks are too great.
9. I will remove myself immediately from any lightning-affected Activity and not wait for an official cancellation of the Activity.
10. I will discontinue participation in an Activity if I am affected by heat, feel dizzy, nauseous or weak, and will seek medical attention immediately.
11. I will plan to avoid driving any vehicle if tired or intoxicated. I will avoid being a passenger in a vehicle if I believe the driver is tired or intoxicated. I will exercise extra prudence and planning for long journeys and in adverse conditions such as rain or night driving.
12. I agree that I am responsible for ensuring that any property I bring to an Activity is protected from loss, theft or damage.
13. I agree that either I have a right to public health cover in all of the countries and jurisdictions in which the Event will take place, or that I have taken out sufficient medical or travel insurance to cover potential medical expenses for injuries sustained during the Event, including long-term hospitalisation or permanent incapacitation. I agree that any injuries I

sustain during the Event may result in significant financial loss through hospitalization, long-term medical bills or being unable to work. If I choose not to obtain personal insurance against such losses it is at my own risk.

14. I agree to abide by the rules and regulations set forth in the WFDF Code of Conduct, including the following:

- I agree to treat other persons with respect, including using language that is respectful of their race, gender and physical characteristics.
- I agree to not physically harm or threaten physical harm to another person, including reckless actions while playing the Sport.
- I agree to not harass other persons by continuing to behave in an unwelcome manner after it has been made clear by them that such behaviour is unwelcome.
- I agree to not discriminate against other persons in any decision-making responsibility I have, based on race, gender, age, sexual orientation or beliefs.
- I agree to not participate in any betting activities relating to the outcome of competition at the Event at which I am participating.
- I agree to abide by dress codes at opening, closing and medal ceremonies, wearing my team uniform if necessary or I will not be allowed to participate in those ceremonies.
- I agree to abide by all WFDF by-laws, policies and the rules of the Sport.
- I agree to abide by all of the laws of the countries and jurisdictions where I am participating in the Event.
- I agree to not participate in the Sport if my judgement, reaction times or physical ability is significantly impaired by intoxication due to legal or illicit drugs.
- I agree to conduct myself according to the Spirit of the Game, both on and off the field.

The consequences of breaching this Code of Conduct include suspension from the Sport at all levels and the referral of matters to the police.

15. I am aware that if I choose to participate in the Event, then I may be subject to anti-doping controls and testing in accordance with WFDF Anti-Doping Rules and the World Anti-Doping Agency (WADA) World Anti-Doping Code and its international standards. Anti-doping includes control over some recreational drugs that may remain in the system after the intoxicating effects have largely disappeared. Penalties for failing a test include lifetime ban from all competitive sport (not just flying disc sports). I will inform myself of the level of anti-doping control to be exercised at the Event.

16. As a participant in the event I abide by the WFDF Code of Conduct on sports betting integrity for athletes, officials and event participants and declare in particular that I will not bet on my sport, that I will not share sensitive information about my sport and that I will not take part in any activities on match fixing or sports manipulation. I understand that any offence against these regulations will be sanctioned according to WFDF policies.

17. I give WFDF & the TOC permission for the free use of my name, voice, picture, likeness and provided biographical information in any broadcast, telecast, commercial recording, advertising, promotion or other account of WFDF, the Event and any Sports.

18. a.) As a consequence from the EU General Data Protection Regulation 2018 (GDPR) I declare that I am hereby informed on the collection of my personal data, particularly my name, first and middle names, date of birth, email contact, gender, postal address, telephone contacts, facebook account domains and sporting performance historical data and all other relevant data to register for and manage the sports event appropriately as per competition rules and for results management purposes.
